

Announcing the JPTM2025

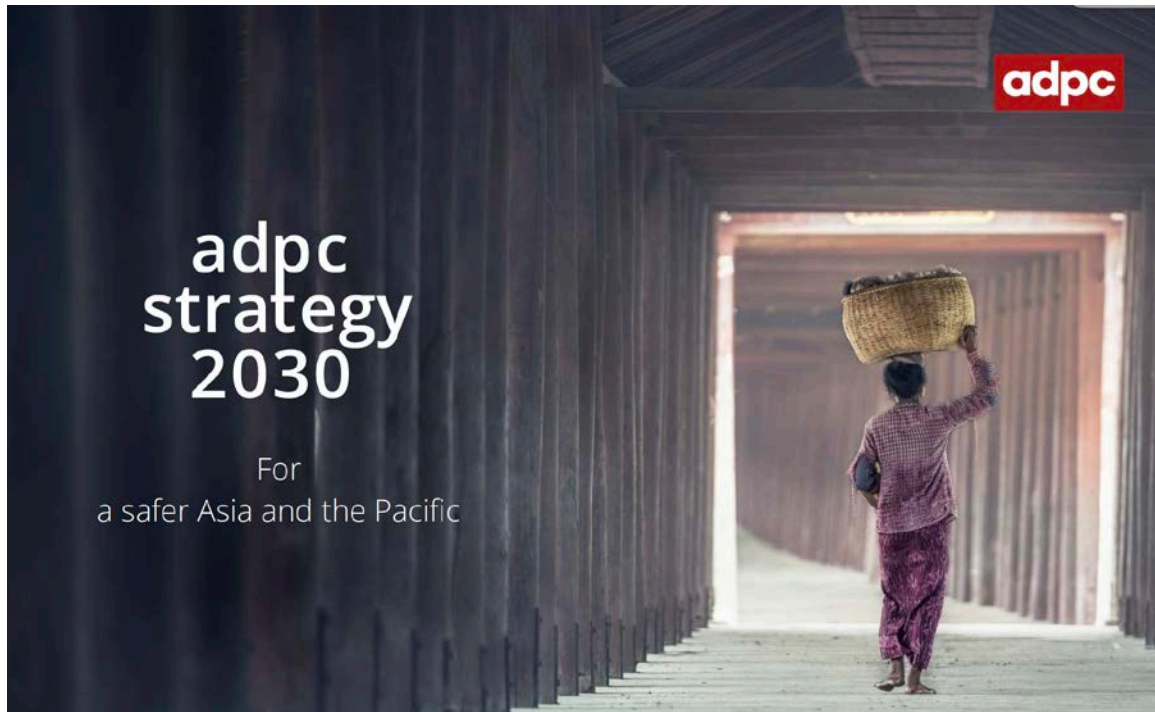

Co-organized by
JAXA and ADPC

Thailand in Late 2025

ADPC is an autonomous international organization for scientific, educational, developmental, and humanitarian purposes with the vision of safer communities and sustainable development through disaster risk reduction.

**ADPC Vision:
Safer communities and
sustainable development through
disaster risk reduction.**

The national **flags** are depicted for this presentation purpose only and downloaded from **public domain**.

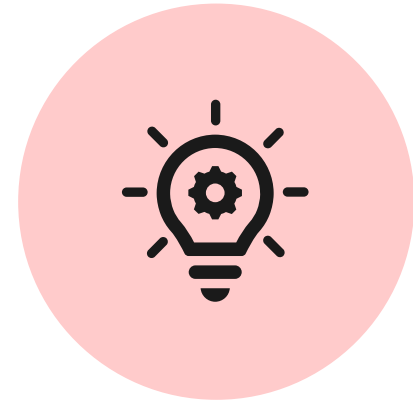

ADPC 2023 Strategic Approach for Programming

IMPACTS

INFLUENCE

IMPROVEMENTS
(INCLUDING INNOVATION)

A nighttime photograph of Bangkok, Thailand, featuring the Grand Palace illuminated in the foreground and a modern city skyline in the background.

THANK YOU

See you in Thailand
