1. [News] Message from Our New Members

We welcome following new members!

<DAN member>

- National Disaster Management Research Institute (NDMI), Korea

"The National Disaster Management Research Institute (NDMI) is very honored to have been approved as a new member of DAN in the Sentinel Asia. This membership will give us a great opportunity to reduce disaster risk and to support disaster management operations in the Asia-Pacific region by utilizing our remote sensing capability. In addition, we will continue to develop new technologies for supporting activities of the Sentinel Asia and for ensuring safety and prosperity of the Asia-Pacific community. We lastly hope to maintain a close partnership and to maximize mutual benefit through active multilateral and international cooperations within the Sentinel Asia."
